For Your
Child

If your child looks upon Scott's Emulsion as Cod-liver Oil and is repelled by it, begin with part of a teaspoonful in twice the quantity of water and it will take it and relish it as though it were milk. There is no food or medicine for children which equals Scott's Emulsion for putting color into the cheeks, enriching the blood and bringing comfort and good nature. Our book will tell you more about it, sent Iree. SCOTT & BOWNE, Chemists, New York.
